The Great Greek Plans to Bring a Mediterranean Grill to the Arts District

Dapper Companies makes a move at The Herbert

Rendering of The Herbert | Dapper Companies

Updating news of [the mixed-use structure](#) headed to the northern edge of the Arts District, project partner Dapper Companies has revealed the restaurant tenant on its way to Main Street.

Named The Herbert, the office, retail and dining complex will replace the former home of the Western Cab Co. at the intersection with Gass Avenue, creating a desirable upper level space with its own private roof patio.

On the ground floor, the fourth local expansion for **The Great Greek Mediterranean Grill** will bring a menu highlighted by salads, gyros, rice bowls, souvlaki, and falafel, plus baklava among the desserts.

The counter-service franchise can already be found in Henderson, the northwest, and at the Dapper Companies' own restaurant row on Blue Diamond Road **in the southwest**.

The Great Greek is also scheduled for **The Bend**, Dapper's under-construction retail and entertainment center at Sunset Road and Durango Drive, set to include **Lotus of Siam**, **Freed's Dessert Shop**, and an **Aces & Ales Brewery** as fellow tenants.

An estimated debut date for the downtown site has not been announced.
